Your First Pinnacle (from birth until age 32) is 11	22
Your Second Pinnacle (from age 33 until age 41) is 7	23
Your Third Pinnacle (from age 42 until age 50) is 9	24
Your Fourth Pinnacle (from age 51) is 8	25

## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Donald, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Donald, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Donald, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Donald, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

### ***Your Life Path is 13/4***

Donald, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

Donald, you can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

Donald, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic

Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

## **BIRTHDAY**

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### ***Your Birthday is 14***

You love change, excitement, and travel. Donald, you easily become bored and need the new and the exotic to feel stimulated and alive. You are highly adaptable, which makes change easy for you.

You have a gift with words and likely possess much talent as a writer or an editor.

You are highly social and work well with others as long as there are not too many restrictions to bind you. You get restless easily, a characteristic that can make you change vocations or relationships much too quickly. Major changes in your life should be studied well before you make them.

You can be over-confident and headstrong, but you also tend to be lucky and a natural gambler.

Underlying your love of change is much insecurity. Beneath an exterior of calm

or coolness lies much emotional turbulence, which reflects itself in your life as rapid change and mercurial mood swings.

Your challenge is to ground in a particular profession or lifestyle that will provide limits and form for your considerable creativity.

You are exceedingly versatile and talented. There are few things you cannot do. You are also industrious, once you have made a commitment to a specific task. The key to your success is balance. Donald, you must avoid making major changes just to escape the routine, or as a means of avoiding responsibility for difficult situations.

You have a quick and analytical mind. You are original and practical, but can be erratic. You have to force yourself to finish projects once they are started.

You must avoid the pitfalls of over-indulgence, such as sex, alcohol, drugs, and food.

By grounding in a particular field and committing your considerable talents to your work, you can make a great success of your life.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Your Expression is 14/5***

Donald, you are a free spirit. You love change, adventure, and excitement. You love your freedom. Like a bird that needs its wings to live, you cannot exist without it. Freedom is the nucleus around which your life revolves. You need it

for your very survival. By using freedom properly, you are able to explore and develop all of your varied talents. You will meet many types of people and travel great distances. Freedom is the atmosphere necessary for you to bring forth your many talents.

You are capable of doing almost anything, and probably quite well. Only by avoiding the imprisonment of illusory security are you able to bring forth your abilities.

Donald, you are unusually adaptable. In fact, change is a blessing for you. In the same way, you need challenge and variety. You hate the routine of life; being stuck is a catastrophe for you. You become miserable when you are held back or held down.

The taste and texture and color of life have an overpowering allure for you. From childhood, you dream of seeing foreign lands, experiencing the sensual and the exotic. You want to try everything at least once in life. All of life is a playground for your senses.

But this can get you into trouble. You may fail to respect your natural limits, either biologically or socially. Any sort of boundary is anathema to you, which can blind you to your natural limits, and may cause you to overindulge your desire for food, sweets, alcohol, sex, and drugs.

Donald, you are gifted in your ability to communicate. Your facility with words is almost limitless. You can be a salesman, politician, lawyer, public relations person, and minister. You also possess the talent to share and advance new ideas. You are talented with your hands. You love the new and untried. Your field is the frontier. You are a bit of a gambler, and often play for very high stakes. All of this combines to give you a youthful enthusiasm, which others find infectious and attractive.

You like to work with others, but need to perform your task un-encumbered by the restraints of others.

Donald, you are a clever and a quick thinker, but your thought processes -- like your life in general -- can be unorganized and scattered. You must stay grounded and focused if you want to be successful.

You fall in and out of love frequently, especially early in life. You are naturally sensual and commonly have a strong sex drive. These characteristics usually make for a lively and exciting love life, but you must guard against shallow feelings and relationships. Your challenge is to develop mature and lasting relationships.

Self-discipline and setting healthy limits is the key to your success in virtually every area of your life. Ironically, you will find that as you learn to set appropriate limits on yourself, you will develop more self-mastery and realize even greater freedom.

This is especially true when it comes to finishing what you start. Your

tendency is to give up once you've got a project or job under control; you grow bored quickly. You start to fantasize about a new challenge, or the rewards of your great accomplishment, long before the work is finished.

The 5 Expression desires the whole world. You are aware that you have many talents that can bring much success. But that success depends on your willingness to choose certain areas to concentrate on, and to bring them to perfection.

## **MINOR EXPRESSION**

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

### ***Your Minor Expression is 12/3***

Donald, your short name increases your capacity to enjoy life. It boosts your optimism, cheerfulness, good taste, and an interest in sports.

You communicate more easily and your sense of humor is enhanced. You are inspiring company, often motivating and uplifting others.

Your artistic ability -- especially your facility with words -- is increased.

The three is a happy-go-lucky number, which, on the negative side, can make you avoid difficulties and try to find the easy way out of challenges.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions.

Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to

learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 16/7***

Donald, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Donald, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Donald, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Donald, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

## **MINOR HEART'S DESIRE**

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

### ***Your Minor Heart's Desire is 10/1***

With a 1 Minor Heart's Desire, you draw from yourself more strength and determination. Donald, you try to be more original, innovative, and independent. You value courage and the will to meet adversity head on.

You are more willing to lead, and less willing to follow. You are less easily influenced and intimidated. You are willing to stand alone and are better able to fight for what you think is right.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your

true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 34/7***

Donald, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well-dressed.

Donald, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

## **MATURITY**

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as

you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

### ***Your Maturity is 9***

Donald, your concern for the well being of society will grow more powerful as you come to maturity. You will be drawn to doing much public service. The long-term good of your community and even the world will occupy your thoughts increasingly.

As you mature, your appreciation for the arts and beauty in any form will also increase. It is quite possible that you will be actively involved in the arts, if that is not already the case, often as a benefactor.

Service to humanity is fundamental to your life. You will grow in understanding and wisdom as you mature. Involvement with international affairs or humanitarian service offers you much satisfaction.

If you already have several 9s in your chart, especially among the core numbers, you will have to guard against arrogance, aloofness, and alienation.

If you have few 9s in your chart, or none at all, you will gain a sense of your personal place among the human race. You will feel you belong and that you have provided something of lasting value for the future.

## **L/E BRIDGE**

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

### ***Your Life Path / Expression Bridge number is 1***

Donald, you should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings. You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional, or try so hard to behave according to the expectations of others.

## **H/P BRIDGE**

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

### ***Your Heart's Desire / Personality Bridge number is 0***

The single digit values of your Heart's Desire number and your Personality number are the same.

This is considered fortunate. Donald, you are a WYSIWYG, What You See Is What You Get. You easily make people feel comfortable around you.

However, if your Life Path number or your Expression number are also identical to your Heart's Desire number and your Personality number, your chart may be somewhat off balance.

This may cause you to push the aspects of the repeated number to excess. Read your Heart's Desire number again, and ask yourself if you have not focused too much on the aspects described, at the cost of a more balanced approach.

## **KARMIC LESSONS**

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than

one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

(There are no Karmic Lessons hidden in your name.)

## **HIDDEN PASSION**

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

### ***Your Hidden Passion is 4***

Systematic and organized, there are few goals out of your reach. Donald, you have determination, perseverance and self-discipline.

You are perceived as solid as a rock and just as reliable. Your family and friends have faith in you and your ability to care for them.

You identify with work and can be very unhappy if you are in a job you do not love. You have a sharp eye for detail. You enjoy the security and steadiness of schedules. You do not like the unexpected.

Donald, you are practical and realistic. You are also concerned about the welfare of your community.

You love nature and the beauty and efficiency that characterize natural law.

You have sound judgment and understanding when it comes to estimating the value of a plan or the feasibility of an enterprise.

You have good concentration.

Donald, your family and home are very important to you. Your love runs deep and is extremely loyal and protective.

## PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

### PLANE OF EXPRESSION PHYSICAL

#### *Your Plane of Expression Physical is 12/3*

Donald, you are highly attractive, whether you know it or not. Something radiates from you that should be cultivated. You possess the potential for charisma.

You are charming and witty. You express your feelings well. You are emotional, but tend to respond in ways that you know will be attractive. In this sense, you often repress your true feelings.

You are highly artistic, imaginative, and dramatic. You express yourself with a certain flair. You dislike hard work. You need to acquire discipline. You are fun-loving and a great and entertaining companion at social events.

### PLANE OF EXPRESSION MENTAL

### ***Your Plane of Expression Mental is 21/3***

Donald, you are extremely artistic, creative, and a bit flamboyant. You are attuned to fashion, interior and architectural design. You have a talent for designing office space and landscaping.

However, you can be scattered mentally, having thoughts pop in and out of your mind seemingly at random. You need to develop discipline and focus.

## **PLANE OF EXPRESSION EMOTIONAL**

### ***Your Plane of Expression Emotional is 14/5***

Donald, you have a powerful curiosity about many people. You love to meet new people, travel, and have many love affairs.

Your emotions do not run very deep, however, and long-lasting relationships are hard to maintain.

You can be moody and taciturn. You are a born observer and you do not miss much.

## **PLANE OF EXPRESSION INTUITIVE**

### ***Your Plane of Expression Intuitive is 3***

Donald, you are very original, imaginative and sometimes have fantastic ideas about spiritual matters. You are very artistic and inspiring. You have a talent with words, and may be drawn to the pulpit.

Your intuition is above average but you tend to color and exaggerate your insights.

## **BALANCE**

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

### ***Your Balance is 7***

You retreat into some safe haven within yourself, Donald, and hope you will not have to deal with the issue at hand. Yet, the clarity and analytical abilities of your mind are sufficient to provide you with insight into the problem, and a clear path to its solution.

Donald, you have to work at confronting yourself and the issues you face unemotionally and calmly. You can be engulfed in the emotional aspects of the issue, which clouds your mind and prevents you from using your clarity to find an answer. Get past the emotion and you will find an answer.

## **RATIONAL THOUGHT**

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

### ***Your Rational Thought is 37/1***

Donald, you are an independent thinker, original, and not easily influenced by others. You tend to pursue a line of thought stubbornly, and you can be dominating in intellectual discussions.

You tend to solve problems and plan projects with a straight-forward approach. You rarely allow yourself to be distracted. Quite often, you realize at some later stage, that you did not pay enough attention to the available alternatives, and a project may find itself stuck with no chance of further advancement. When you find yourself facing such a situation your frustration tends to be considerable but of short duration. You simply start all over. You do not give up easily.

## **CORNERSTONE**

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

### ***Your Cornerstone is D***

Donald, you are down to earth, practical, efficient, orderly and systematic. You

are shrewd and determined. You can concentrate and overcome many difficulties. You have natural authority but can also be stubborn and rigid.

## **SUBCONSCIOUS SELF**

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

### ***Your Subconscious Self is 9***

Donald, you are somewhat impersonal and may be difficult to get to know. You are not demonstrative of your affections, though you often have deep feelings and great compassion. You are competent and controlled in any situation. You have no specific Karmic Lessons and are therefore not as vulnerable to Life's ups and down's as others.

## **CHALLENGES**

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

### **THE FIRST CHALLENGE**

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

### ***Your First Challenge is 1***

You must learn to be independent. Donald, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Donald, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

### THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

### ***Your Second Challenge is 3***

Donald, you are your own worst critic. You suppress your individuality and creativity. Each time you want to make an impression, you doubt yourself beforehand, and criticize yourself ruthlessly afterward. Your criticism of yourself is far more severe than anyone else's.

As a result, you tend to play it safe by staying on the surface, indulging in superficialities. You rarely express what goes on deep inside of you; instead, you cover up your feelings with humor or perfunctory remarks.

You often feel alone and lonely.

Donald, your fear of social interaction causes you to strain conversation by making too many jokes and forced joviality.

It may help you to find a creative outlet for your imagination, possibly through writing, painting, singing or dance.

At the bottom of the challenge is an effort to bring out your true self. You will learn to truly value your own creative talents above anyone else's judgments. This must be viewed as a process of individuation, in which you become a whole human being, independent and free of the need to conform to others.

### THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

### ***Your Third Challenge is 2***

Donald, you are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil.

Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

Donald, you lack the inner strength to maintain your own center, and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner turmoil of others and can do much good for people with emotional problems.

## THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

### ***Your Fourth Challenge is 4***

You tend to be disorderly and disorganized. Donald, you are impractical and tend to fantasize about projects or possibilities that have little value or future.

You must learn to discriminate between iron balloons and those that will fly.

You have difficulty finishing projects because your vision becomes chaotic and

loses tract of the path ahead.

You have to learn to be aware of the details. Keep your environment clean and orderly. Be efficient.

You have the ability to be practical and organized but you must learn their value. This will cause you to incorporate them into your daily life and give you the basis for success.

This is the challenge of building a lasting foundation for your life. Donald, you will need perseverance and repeated effort. Get-rich-quick schemes will likely backfire; persistent effort is the key to your future happiness.

## **PINNACLES**

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Donald, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

### ***Your First Pinnacle (from birth until age 32) is 11***

This is a challenging period in which you are at a high point of sensitivity and intuition. There is so much going on in your psyche that you can suffer much confusion over direction and identity. On the other hand, there is a wide open channel between the personal consciousness and the higher realms of the

unconscious. Donald, you are constantly being inspired and even assaulted by information and insight.

Because of the intensity of these revelations, you must learn to ground your life in faith and a practical vocation that keeps your feet on the ground everyday.

This is a period of enormous spiritual and personal growth. You will come out of it with a highly uncommon clarity and understanding of life. At the same time, it is a period of enormous demands, emotionally and spiritually. Any attachment you might have to specific identity traits -- who you think you are and why you are here, for example -- is constantly challenged.

There is a desire to settle into some field or way of life to attain stability, but the energy of this Pinnacle is not allowing it. It is as if there is a destination, or destiny, to which you are being driven. You do not feel in control of this process. Instead, you are acutely aware of the forces that are shaping your life. You must surrender to them.

Meanwhile, you experience the emotional turmoil that can come with this highly charged period.

There is a definite, even compelling, sense of being different. You are aware of a feeling of receiving special attention from spiritual forces. Your perception of life is somehow more acute than others; you see more clearly and more spiritually due to your high degree of sensitivity. It is as if you have a perfectly accurate peripheral vision, in which everything stands out in sharp relief. At times you may feel that you can see into the souls of things.

At the same time, you may feel like a foreigner to the earth. You are completely impractical. Sometimes you may feel that you do not understand the workings of the physical world. Practical things escape you. You feel awkward and clumsy at times, and are aware perhaps how fluidly other lives are going. This increases your sense of being an outsider.

Donald, more important than all the awkwardness and feelings of being different is the overwhelming sense of having a purpose or a message to reveal that will make other people's lives happier, healthier, and more at peace. You want desperately to bring this out.

The challenge of the 11 Pinnacle is to remain grounded and attached to this dream. You must find practical and useful ways to be of service to others, at the same time developing yourself so that one day you may be able to bring forth that which is within you.

The influences of this period make you highly creative, innovative, and inventive. You have a completely unconventional approach to problems. Trust your intuition, seek harmonious settings to restore your sense of inner peace, and work hard to keep your feet on the ground. This period will bring great rewards on all levels, and with perseverance you will find your rightful place.

***Your Second Pinnacle (from age 33 until age 41) is 7***

This is a period of inner development and soul searching. Donald, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Donald, your desire to study in all forms -- reading, self reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge.

During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

Donald, your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

### ***Your Third Pinnacle (from age 42 until age 50) is 9***

Donald, this is a period in which you must identify with some larger project or goal that is bigger than you. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of

careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community.

As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom, but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world.

Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching.

In short, you are highly idealistic. Donald, you will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

### ***Your Fourth Pinnacle (from age 51) is 8***

Donald, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest.

The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success.

People sense your power and effectiveness. They defer to you much more easily, and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your ability and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal

powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity.

Donald, your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave.

If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great opportunity to grow.
